his life around to become a dominican friar and the first great champion of the native americans daring to challenge the spanish encontienda system which was little
more than a justification of forced labor las casas in the spirit of the great hebrew prophets spoke out unequivocally for justice and freedom for oppressed peoples his
the only way which argued that the native peoples of the americas are fully human can rightly be called one of the seminal documents of american catholic social justice
in this biography paul vickery focuses especially upon las casas s conversion journey drawing upon las casas s own words and actions vickery describes the historical
setting and specific events leading up to las casas s spiritual awakening and then interprets this experience in light of his message for us today students of history
western civilization and social justice will find here an original and provocative text about colonial latin america and native american studies while students of ethics will

find much food for thought in its treatment of questions of conscience and the moral choices with which we are confronted book jacket
